

DAY BOARDING – EVENING PREP

FORM VI

A limited number of places exist for day-boarders, who wish to take evening meal and supervised study (prep) up to 9.45 p.m.

From experience last year the school found that two options are desirable; a five night per week option and a three night option. Parents wishing to enrol a sixth form son or daughter for either option should fill out the form below and return it to the school office as soon as possible.

Places will be awarded on a first come first served basis. The initial agreement is for a half year to the end of January 2017. The cost including evening meal is €800 for 5 nights and €500 for 3 nights paid in advance by half year.

Inclusion into the programme is conditional on the pupil giving a signed undertaking to comply with the rules and be of good behaviour. Failure to comply subsequently can result in the pupil being excluded from the service. A strong work ethic is expected and the study periods will be supervised accordingly.

Parents please contact our office by email (office@bgsmail.ie) or telephone (023) 8841713 to register interest. We will then send you the relevant documents.

FORM 3 AND 5 SURVEY

We are conducting a survey to see if there is sufficient demand for Day Boarding / Evening Prep for **Form 3 and / or Form 5** day pupils to offer a supervised study service. A decision regarding feasibility will then be made in August. **Form 5** would be on the same basis as Form 6 above.

Form 3 Study would be offered on Monday, Tuesday and Thursday nights from 6.30 p.m. to 9.00 p.m., with evening meal at 5.40 p.m. and snack at 7.45 p.m. The cost including meals is €450 for a half year to the end of January 2017 paid in advance by half year.

If you are definitely interested please email the office at office@bgsmail.ie or telephone (023) 8841713 giving the name and year group of your son / daughter.
