Online Essentials
Computer Essentials
IT Security

European Computer Driving Licence

Work Experience

- There are two weeks of work experience for the TY pupils.
- The **first week** is either of the two weeks when pupils are going to Cappanlea, i.e. One week in Cappanlea and one week on work experience.
 - **1st October 2018 or 8th October 2018**
- The **second week** is the week directly before the Easter break.
 - **8th April 2019**

Work Experience

- For the pupils who are not going skiing they can use that week for an extra weeks work experience.
- The responsibility for organising that work experience rests with the pupils concerned.

Work Experience

- All pupils are expected to fill out, for each weeks work experience, a form which advises the school where the pupil will be on work experience.
- It would be very much appreciated if the form for the first weeks work experience was returned as soon as possible.
- The schools insurance covers the pupil while on work experience, (anything unusual must be agreed beforehand).

Work Experience

- Any pupil who wishes to work with children and is over 16 years old, needs to be Garda Vetted.
- A form must be completed and returned to the school ASAP.
- The schools posts all the forms off.
- They are returned to the school when completed and handed out to the pupils concerned.

Garda Vetting
