## **Bandon Grammar School**

### **Statement on Child Protection**

Bandon Grammar School has adopted in full the 'Children First' National Guidance for Protection and Welfare of Children derived from the Children First Act, 2015. The school recognises that the content and spirit of 'Children First' requires constant vigilance, regular training, review and updating of procedures and policies. The staff and Board are fully committed to the principles and practice involved in protecting the children in our care to the best of our ability. The school has conducted a risk assessment and is putting relevant protective measures in place. A Child Protection Oversight Report shall be presented at each Board of Management meeting as part of the Principal's report to the Board. A full review of Child Protection Policy and procedures will be conducted annually.
